Talal Abu-Ghazaleh Digital
University (TAG-DU)

Registration starts at Talal Abu-Ghazaleh University College for Innovation

"Full Scholarships for 98-100 and 50% for 90-97 grades"

Amman - Talal Abu-Ghazaleh University College for Innovation started receiving applications from students wishing to register for the academic year 2018/2019. The University College recently got approval for introducing the MBA program and bachelor's programs in Business Administration and Computer Science from the Accreditation Council of the Ministry Higher Education.

Bachelor business administration disciplines include auditing, accounting and e-marketing, while computer science disciplines include artificial intelligence, data science and space security.

In order to encourage outstanding students, those who achieved an average of 98% or higher in the General Secondary Education Certificate are awarded a full scholarship, while students with an average of 90% or higher are given a 50% scholarship.

Talal Abu-Ghazaleh University College for Innovation is specialized in business administration and information technology. It is the first of its kind in Jordan that focuses on the development of innovation and creativity.

H.E Dr. Talal Abu-Ghazaleh said that the establishment of a university college that graduates inventors is what all countries need in the meantime, indicating that the basis of its work is to graduate students who will contribute knowledge innovations.

H.E. Dr. Abu Ghazaleh also emphasized that focusing on creativity and innovation is instrumental to the creation of a society that produces knowledge, ensuring the transformation from a civil state into a creative one.

The University College aims at making a comprehensive change in the higher education system in the Arab and the entire world.

■ Trustees of Talal Abu-Ghazaleh University College for Innovation Named

AMMAN - The Higher Education Council approved the formation of the Board of Trustees of Talal Abu-Ghazaleh University College for Innovation (TAGUCI).

Members of the Board, chaired by HE Dr. Yousef Mansour, include HE Mr. Luay Abu-Ghazaleh, Dr. Muntaha Bani Hani (Dean of TAGUCI), Dr. Adli Kandah, Dr. Salem Al-Aqtash, Mr. Ramez Quneibi, Mr. Reyad Noubeh, Dr. Suleiman Al-Khattab and Dr. Abeer Al-Ghananeem.

Talal Abu-Ghazaleh University College of Innovation is a university college specialized in business and information technology. It aims at providing students the appropriate environment for creativity and innovation through modern learning methods while granting them the potentials to transform their ideas and inventions into marketable products.

TAGUCI to offer a bachelor's degree in Innovative Computer Science in three tracks: Artificial Intelligence, Data Science and Cybersecurity, and a Bachelor's Degree in Innovative Business and its tracks include Digital Marketing as well as Accounting and Auditing.

It's worth mentioning that TAGUCI opened registration for admission last June for the first academic semester 2018/2019 which will start next October.

■ 'Talal Abu-Ghazaleh Development 2018' Conference Concludes with Special Focus on Global Development

AMMAN - Talal Abu-Ghazaleh Organization (TAG-Org), the global organization for professional services and education held a special conference entitled "Talal Abu-Ghazaleh Development 2018" chaired by HE Dr. Talal Abu-Ghazaleh with the attendance of activity directors and managers representing TAG-Org's 110 offices around the world.

The conference comes in response to the futuristic vision of Dr. Abu-Ghazaleh in the expansion and development of TAG-Org's services around the world and strengthen the Group's position as a knowledge-based organization.

In his opening remarks, Dr. Abu-Ghazaleh stressed on the objective of organizing such

event which focuses on developing the work of the organization under a new entity called "Talal Abu-Ghazaleh Development (TAG-D)" which will handle all aspects of the Group's development activities.

Dr. Abu-Ghazaleh added that the Organization passed through two important phases since its establishment in 1972. The first phase was from 1972 till 1990 in Kuwait and the second phase started in 1991 till this day in which TAG-Org worked on the expansion plan of its services and its presence around the world which will continue with its message to provide services to develop the capacity building and serve the economy.

Dr. Abu-Ghazaleh noted that this message is

being implemented around the world without any exception, which requires investing heavily in the future and in marketing the services provided by TAG-Org.

Dr. Abu-Ghazaleh underlined the fact that capacity building which will be part of the effort and work of the new entity will have the bigger share globally due to the reputation of the Group, its great history, the excellent expertise and suitable financial capabilities to provide such a service.

Regarding expansion, Dr. Abu-Ghazaleh underscored the Group's strategy in providing its services and establishing new offices focusing on the fact that in 2017 and until today 35 new offices have been registered and licensed in Asia, Africa, Latin American and Europe.

Dr. Abu-Ghazaleh focused on the establishment of Talal Abu-Ghazaleh University College for Innovations, a unique concept in the educational world and which will open in October with a mission of changing the traditional educational system and graduating inventors.

A host of decisions were made during the

conference with the aim of developing the strategy of the Group based on the directives of its Founder and Chairman Dr. Abu-Ghazaleh.

During the Conference, directors briefed the participants on the various fields and services presented by the Group around the world which included: Cambridge Assessment English, Arabic Fluency Test, E-Archiving, Talal Abu-Ghazaleh International Diploma in IT Skills (TAG-DIT), digital learning, tenders, Chinese language, recruitment and human resources, Quality Education, ISO in addition to others.

■ TAGI-UNI Students' Corner

My name is Dunia Nabeel Basaleh and I am one of TAGI-UNI's students. I chose TAGI-UNI because it is one of the globally recognized higher education accreditation institutions in all degrees and certificates.

My major is English Literature
Studying English literature sets international students up for all sorts of jobs upon their graduation.

I am working as Coordinator with the Jordanian Hashemite Fund for Human Development JOHUD.

I have many hobbies including enjoying nature, listening to music, and practicing sports.
